Rod Baughman—Founder

Coach Baughman started Crossover Camp 23 years ago and has been the heartbeat for what the camp stands for. His success at Meadowbrook Christian school is not just about how many championships they have won, but how many kids have been impacted in his program.

Kathy Fedorjaka—Next Level Strong

“Coach Fed” trains athletes throughout our region as founder of Next Level Strong basketball. She remains the winningest coach in Bucknell womens’ basketball history. Her energy and passion to teach athletes leadership and life skills is really what sets her apart as an elite coach!

Ryan Torrey—Well Fit Director

Ryan has been involved with Crossover for many years and brings with him a vast amount of coaching knowledge from Meadowbrook Christian where he graduated a thousand point scorer. He is currently the director of the Well Fit Ministries where he oversees the clinics and leagues. He also offers personal basketball training and is a member of the MCS coaching staff!
